2 WAYS TO WRITTEN EXAM SUCCESS

This comprehensive course makes it easier to prepare for your Child & Adolescent Psychiatry Written Board Exam. It provides all the materials you need and addresses all aspects of this exam, so once you've taken the course, you can feel confident that you're ready to take your boards — and we guarantee the results with the Triple Trust Guarantee!

LIVE COURSE OPTION

This comprehensive course makes it easy for you to absorb and retain the information you need to pass your exam.

- 1. Focused Topics:** The course focuses exclusively on the topics covered in the Child & Adolescent Psychiatry Written Board Exams.
- 2. Proportional Time:** Lecture content is calibrated so that the amount of course time devoted to each topic is in direct proportion to the number of board exam questions in that area.
- 3. Exam-Style Questions:** Lectures also include multiple-choice practice questions that are reviewed and analyzed during the course.

4. Online Practice Tests: You receive password-restricted access to hundreds of online Board style questions, which you'll answer in the same format as the actual Board.

5. Online Lecture Review: Every course lecture is videotaped and you get access to all of them as streaming video on the Web. Review the lectures until the time of your exam as often as you like.

6. CME Included: Earn up to 23.5 AMA/PRA Category 1 CME hours. Ask if your group/employer will cover the cost of this CME activity.
